**TWO DAYS SEMINAR FOR RESEARCH
SCHOLARS OF GULBARGA UNIVERSITY
FACULTY OF SCIENCE AND TECHNOLOGY
9th and 10th FEBRUARY, 2017**

**ORGANISED BY:
GULBARGA UNIVERSITY, KALABURAGI-585106.**

Gulbarga University, Kalaburagi has been established as a pioneer center for teaching and research on diversified areas in various disciplines, including Science and Technology, Arts, Languages, Humanities, Education, Commerce and Management and Law. The University since its inception from 1980 onwards has been continuously achieving laurels in academics, research, extension activities, consultancy and all round development. The University is proud to have generated funding for teaching and research from many funding agencies in a span of 37 years of its existence and the activities in this direction are ever increasing. Core and Applied Science Departments of Gulbarga University are working in the frontier areas of Science and Technology. Many of these departments are funded with SAP, Non SAP, FIST, innovative and other programs.

Hon'ble Vice-Chancellor Prof S R Niranjana proposed an idea of this seminar, which will provide a platform to research scholars of our University. This will help them to seek better inputs from the distinguished academicians. This platform will offer an exposure to the research scholar to present his/her research work, with better communication skills.

In this seminar, there will be lectures from eminent academicians on research methodology, research objectives and presentations from research scholars of various Departments of Gulbarga University from the Science and Technology Faculty. The presentations will be in the form of oral and poster presentations by research scholars. The full length papers presented in this seminar is intended to be published in the Gulbarga University Journal of Science and Technology (Vigyanganga).

CALL FOR PAPERS:

Research papers, in the form of Oral and Poster are invited from all the research scholars (pursuing their Ph.D. doctoral degree and also who are awaiting their Ph.D.

Viva examination) from various departments of Faculty of Science and Technology, GUK.

SUBMISSION DETAILS:

Abstract in soft and hard copy format not exceeding 200 words along with keywords to be submitted to the Convener / Co-Convener.

Each scholar is allowed to submit two (one oral / poster) papers. Each scholar has to submit duly filled registration form through the Research Supervisor and the Chairperson of respective department. All selected abstracts will come out as proceedings.

The abstract should be in Times New Roman font, 12 font size, single line spacing, MS Word on A4 size paper. Title of the abstract should be in Bold with scientific names in Italics. (Font14). Authors name should be in Capital, followed by their complete address with e-mail of corresponding Author. A few awards are also instituted for best oral and poster presentations in various categories of subjects.

The space provided for poster presentation will be 1.0 m x 1.0 m. Each scholar has to bring the required stationary (sketch pens, pins, clips, etc.)

The information regarding the seminar will be available on the University webpage.

Important dates:

Abstract submission: on or before Jan 27th, 2017.

Acceptance of abstract: Feb. 3rd, 2017.
