

A National Level Workshop

On

“Hands on Training on Advance Techniques in Biotechnology”

June 07 - 11, 2017

**Department of Biotechnology,
Gulbarga University, Kalaburagi-585106**

Overview

Gulbarga University has the jurisdiction over four districts viz. Bidar, Kalaburagi, Raichur and Yadagiri. Looked upon as an oasis of knowledge, wisdom and learning, research and extension in an otherwise backward or barren region of Hyderabad Karnataka, it has emerged as a harbinger of positive social transformation, an instrument of progress, and a vehicle of inclusive and sustainable growth. During 1994-95 multidisciplinary M.Sc. course in Biotechnology was introduced. Department of Biotechnology, Government of India recognized the Department and started funding the programme from 1996-97. The Karnataka State Govt. IT & BT Department has also identified the department for starting finishing school in Biotechnology. It has a Biofuel demonstration and production centre funded by KSBDB, Bengaluru. It is now ventured to conduct workshop on Hands on training on advance techniques in biotechnology under the guidance of Hon'ble Vice Chancellor.

Contents of the Workshop

Introductory lectures on high-throughput advance techniques in Biotechnology have been arranged. Hands-on sessions are designed to assess and perform the experiments by inviting eminent personalities. This workshop is one of the important aspects for the Life science teachers and Research scholars to develop various skills in conducting the practical's and Biotechnological applications at under graduate level.

Registration

Open to Teachers and Researchers from academia and other Universities. Applications must include a short CV and Registration form. To register for the workshop please e-mail to ckelmani@gmail.com and the last date is **31.05.2017**

Registration Fee: 1500/-

Contact:

Department of Biotechnology, Gulbarga University,
Kalaburagi

Workshop Focus

- ✓ Phage Therapy
- ✓ Nanotechnology
- ✓ Bioinformatics
- ✓ Animal Handling and dose study

Resource Person

- ✓ Dr. Bharati Sriram (Gangagen bangalore)
- ✓ Prof. P U Krishnaraj (UAS, Dharwad)
- ✓ Prof. Shishupala S (Davangere University)
- ✓ Dr.N B Ramachandra (UOM, Mysore)
- ✓ Dr Shivkumar M C (Biocon)
- ✓ Dr. Yugandhar Reddy (Hindustan Levers)

Organizing Committee

Prof. Ramesh Londonkar
Chairman & Convener

Dr. M B Sulochana
Co-convener

Prof. Chandrakanth Kelmani R
Course Coordinator

GULBARGA

UNIVERSITY,

KALABURAGI-585106

Department of Biotechnology

Five days National workshop

ON

**“HANDS ON TRAINING ON ADVANCE TECHNIQUES
IN BIOTECHNOLOGY”
(JUNE 07 - 11, 2017)**

REGISTRATION FORM

Name (In block letters) Dr. /Mr. /Ms :

Gender :

Date of Birth :

Designation :

Permanent/Temporary :

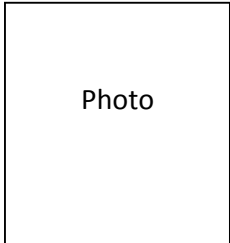

Subject :

College / Department Address :

Mobile :

E-mail :

Registration Fee : Selected candidates should register their Names by paying **Rs. 1500/-** on the day of workshop

Candidate Signature

Principal/HOD Signature

NOTE:

- ❖ The last date for applying is 31.05.2017. Selection is based on the Subject criteria (limited to 25-30 teachers) and will be informed through E mail.
- ❖ No TA and DA will be provided for attending the workshop
- ❖ Accommodation is made for outstation teachers at University Guest House and charges will be made as per University rules
- ❖ Course material and Working Lunch will be provided.
