The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013).

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION

- Excellence in higher education, empowerment through knowledge, inclusive growth for socio-economic change and sustainable development.

MISSION

- To equip and empower students with relevant knowledge, competence and creativity to face global challenges
- To achieve innovations in teaching-learning, research and extension activities to realize national goals
- To facilitate optimum use of human and natural resources for sustainable development
- To promote participation of all the stakeholders in the development of the University and the region
- To promote and practice inclusive growth
- To adopt and promote the knowledge output for human development
- To create awareness on human rights, value system, culture, heritage, scientific temper and environment

6.2 Does the Institution has a management Information System

The Head of the Institution i.e., Vice Chancellor, is the Principal Executive and Academic Officer of the University. He is Ex-Officio Chairman of the Academic Council, the Syndicate, the Planning, Monitoring and Evaluation Board and the Finance Committee. He presides over the meetings of the statutory bodies of the University. The Vice-Chancellor ensures that all provisions of the Karnataka State Universities Act 2000, the Statutes, the Ordinances and the Regulations are observed. He also convenes meetings of the AC, the Syndicate, the PMEB, and the Finance Committee and performs all such acts as may be necessary to carry out and give effect to the decisions of the said authorities.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Every Department has a Board of Studies for both undergraduate and post-graduate programme constituted once in every three years. The composition of the Board includes the internal members from concerned Department and affiliated colleges and external members from other universities/research centres/institutes/industry of national importance

6.3.2 Teaching and Learning

The content of syllabi is strictly implemented to facilitate the students in acquiring knowledge and skills in their respective subjects by employing recent technologies. The PG & PG diploma students are provided in-house projects/training/field work to update with the advanced knowledge and skills. They are prepared to participate in group discussions and seminars; provided individual training that induces innovative ideas and enhances their communicative skills and also imparts good work culture and ethical values. Student's Welfare Unit and NSS Units of the University undertake various cultural, social and environmental related activities through student participation expose them to local, national, traditional, social and cultural activities which build a leadership quality, sense of national integrity and induce to take social, ethical, cultural and environmental responsibilities.

6.3.3 Examination and Evaluation

There is an Examination Reforms Committee in the University which meets as when required to take stock of issues related to the examination and evaluation and builds the policy and strategies for improving the examination and evaluation process. The University follows the following procedures to ensure the transparency and confidentiality in evaluation processes:

Answer scripts of PG & UG courses are coded before handing over to the teachers for evaluation. Double valuation system is followed for PG courses. The internal assessment marks of the students are transferred online to the examination branch for further processing of results. Manual processing of the marks for tabulation is replaced with computerized processing. Ledgers are maintained in the confidential room and are under the supervision of single window.

6.3.4 Research and Development

It is a general phenomenon among the students completing the post-graduation in the University to take up studies leading to research degrees. The University also motivates and counsels the students to pursue the higher studies leading to research. In the post graduate curriculum due weightage is given for papers like research methodology and inclusion of components like internship, project report, field works, etc. This has enhanced research interest among the students to a great extent.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The Gulbarga University has 860 acres of land. In the last 35 years, the University has built required infrastructure to meet the growing requirements. Existing infrastructure is quite adequate which are effectively used by academics and other support services. A few development projects like construction of Remedial Coaching Centre building and Community Hall for social functions by University employees are in progress. Development of additional infrastructure for new courses, ICT facilities, IT infrastructure, Sports Complex in PG Centres, students' housing has been taken up. Wi-Fi facility in Girls' Hostel and Research Scholars Hostel is provided and also it is being extended to other hostels.

University Library, a Knowledge Hub developed on modern lines as a prominent Learning Resource Center to support the learning, teaching and research activities with rich books on various subjects, scientific journals, CD-ROM databases (current + archival), dissertation/theses and technical reports, conference papers, UGC INFONET journals and databases and rare books. At present the library has about 150 computers. All efforts are made to motivate, educate and sensitize the users to use library resources. Congenial atmosphere, cordial relations, corporate culture and user friendly approach have contributed for the optimum use and dependence on library resources. Following are a few initiatives in making the library a "Happening Place" on campus and one stop-point to acquire needed information.
